

Frequently Asked Questions

Q: How do I track my order?

A: Use the order tracking page with your order number (e.g. ORD-2024-0042) and the email on the order. Most shipments use UPS or FedEx tracking numbers visible on the order confirmation email.

Q: Can I change my shipping address after ordering?

A: Yes, within 2 hours of placing the order via customer support. After 2 hours, the warehouse may have already started picking the order and an address change is no longer guaranteed.

Q: What payment methods are accepted?

A: Credit cards, debit cards, PayPal, Apple Pay, and bank transfers for enterprise-tier accounts. Bank transfers require pre-approval from accounts receivable.

Q: How do I escalate a Tier-2 ticket?

A: Mark the ticket as "escalate" in the support portal and a supervisor will review within 4 hours during business hours.

Q: Do you offer volume discounts?

A: Yes, enterprise pricing is available for orders over \$10,000 annually. Contact sales for a custom quote.

Q: What is the return window?

A: 30 days from delivery for standard customers, 60 days for enterprise. See the full Refund Policy for restocking fees and exclusions.

Q: How long is the warranty?

A: 1-year limited warranty on electronics, 90-day warranty on accessories. Some featured SKUs (e.g. ABC-12345 Premium Wireless Headphones) offer extension options at checkout.

Q: What products are non-refundable?

A: Final-sale items, gift cards, personalized engravings, and software licenses such as SKU PROD-0099 (Premium License Bundle) once the activation key has been revealed.
